LEGO® Builder

A QUARTER MILE AT A TIME

Cars say a lot about their owners. For Dominic Toretto in *The Fast and the Furious* (2001), the sleek, aggressive 1970 Dodge Charger R/T embodies everything that's important to him: speed, raw power, family legacy and loyalty. The V8 engine even mimics Dom's gruff voice, and its destructive 'final' race marks a point of no return for him. The moment offers Dom a chance for freedom and redemption, determining his future in the saga. As you build Dom's fierce, modified version of the all-American muscle car in LEGO® Technic form, we hope you'll seize the 'quarter mile' spirit.

WELCOME TO THE GARAGE

Designing buildable, true-to-life car replicas of this calibre is just the type of challenge that drives LEGO® Technic designers. We explored every detail of Dominic Toretto's striking 1970 Dodge Charger R/T and went full throttle with authentic functions.

The rear-wheel drive is built with a Cardan shaft with differential, and you've got working steering, independent suspension on the front wheels and fixed-axle suspension on the rear wheels. The front bonnet opens to reveal the working V8 engine and chain-driven compressor. The two LEGO Technic NOS (Nitrous Oxide System) tanks in the rear are guaranteed safe for indoor use. Inside, a fire extinguisher, detailed dashboard, steering wheel, gear lever and chrome details complete the look.
